

2010

Vermont
Statewide
Housing
Conference

Sponsorship packages

The conference is set for **Thursday, Nov. 18, 2010**. *Signing on as a sponsor early* assures you'll get the full promotional value for your contribution. The conference Web site's already online: www.vhfa.org/conference. We'll add you to it as soon as you become a sponsor.

The conference Web site's a popular destination for housing professionals. Nearly **75 percent** of all **450 attendees** registered online for our 2008 conference. More than **25 percent** continued to return to the site *after the event* to download materials. No coincidence the busiest day for vhfa.org, ever, was Nov. 17, 2008 — the day before our last conference. All told, the conference site received more than **9,000 page views** in '08.
