LISA CLARK PROMOTED TO SENIOR FINANCIAL ANALYST

BURLINGTON—Executive Director Sarah Carpenter announced that **Lisa Clark** of Essex has been promoted to Senior Financial Analyst.

Clark's new responsibilities include working with the Agency's Investment Manager and Controller to prepare quarterly and annual financial statements; and assisting in the tracking and monitoring of investments, arbitrage compliance calculations, and coordination of single-family bond trustee operational activity.

She's also responsible for coordination of all computer system needs of VHFA's Finance Department, including process reviews, system upgrade implementations and problem resolution.

Clark joined the Agency as Investment Portfolio Assistant in July 1997. Most recently, she held the position of Financial Analyst.

VHFA was created by the Vermont Legislature in 1974 to finance and promote affordable housing opportunities for low- and moderate-income Vermonters. Since its inception, the Agency has helped more than 25,000 Vermont households with affordable mortgages and financed the development of almost 7,000 affordable rental units.
