VHFA has 33 participating lending institutions around the state that help homebuyers qualify for VHFA mortgage loans. VHFA has several home mortgage loan programs, all of which have income and purchase-price limits. A list of participating lenders and information about VHFA's programs and interest rates can be found on the Agency's Web site: www.vhfa.org.

VHFA was created by the Vermont Legislature in 1974 to finance and promote affordable housing opportunities for low- and moderate-income Vermonters. Since its inception, the Agency has helped almost 25,000 Vermont households with affordable mortgages and financed the development of nearly 7,000 affordable rental units.
